

## HOW TO SEND US YOUR SPEAKER VIDEO

We'd love to see you in action!

You don't need fancy tech or editing skills - we just want to get a feel for your speaking style, subject, and energy. A simple phone video works perfectly.

## WHAT TO INCLUDE

In a short video (max 4 minutes), please tell us:

- Who you are
- What your subject is
- Why you love it
- Why you'd make a great onboard speaker or instructor

This can be filmed sitting at your desk or in your living room. We just want to see and hear you clearly.

## HOW TO RECORD YOUR VIDEO

Use your phone, tablet, or laptop. Here are some quick tips:

- Good lighting: Face a window or use a lamp so we can see you clearly
- Clear sound: Speak clearly and avoid loud background noise

Landscape mode: Turn your phone sideways if filming handheld
